

INTENSIVE OUTPATIENT SERVICES

New Vitae Wellness and Recovery: The Mitchell Clinic offers three recovery tracks:

- Drug and Alcohol primary
- Behavioral health primary
- Co-occurring

We offer three to five day programs; all half-day in length.

- **Personalized attention:** our team of professionals is highly qualified and diverse.
- **Small, relaxed atmosphere:** our setting is calm and reflective.
- **Integrated Psychiatric services:** our medical staff is available daily and attentive to your needs.
- **Responsive individual and family counseling:** our master's level clinicians and certified addictions counselors give you and your family direction and hope.
- **Flexibility:** we listen to you; we work with your strengths and your unique needs.
- **Most Insurances Accepted:** Capital BC, Highmark BC, Aetna, Cigna, Anthem BC, UBH, IBH, and others. Be sure to inquire.

Licensed by the Pennsylvania Office of Mental Health and Substance Abuse Services (OMHSAS) and the Division of Drug and Alcohol Programs (DDAP). We offer a full continuum of behavioral health intensive care.
