

VETERANS SERVICES

New Vitae Wellness and Recovery is honored to partner with the Department of Veterans Affairs along with the Department of Military and Veterans Affairs to provide services to veterans in need.

New Vitae Wellness and Recovery offers comprehensive behavioral health and substance use disorder treatment in concert with supportive residential opportunities for veterans who are experiencing homelessness, brain injury, PTSD and/or co-occurring substance abuse and mental health challenges including depression, bipolar disorder and schizophrenia. We take a person-centered approach to treatment and promote sustained recovery.

Please contact our Admissions department for more information on our array of services and funding options.

We are a resource to:
